"Having been in education for over a decade, I am passionate about guiding all education professionals to succeed. I have been fortunate to experience success in all of my roles, both in and out of the classroom. Loving to share knowledge, I am eager to partner with you."

"My mission is to partner with educational professionals to ensure they are the best version of themselves and excel in their careers. My goal is to help you work smarter, not harder."

## Dearly Ebony

## LEADERSHIP PHILOSOPHY

- Rules without relationships create rebellion.
- Compliment before you critique.
- An ounce of prevention is worth a pound of cure.
- Model what you desire
